EXHIBITOR INVITATION

17th

Annual Meeting of the
European Venous Forum
jointly organized with the
Venous Forum of the
Royal Society of Medicine

7-9 July 2016

Royal Society of Medicine
1 Wimpole Street
London, UK

The ROYAL SOCIETY of MEDICINE
Dear Friends and Colleagues,

On behalf of European Venous Forum (EVF) and the Venous Forum (VF) of the Royal Society of Medicine (RSM) it is our great pleasure to invite you to EVF/VF 2016 to be held in the world city of London, 7-9 July 2016.

The meeting will be held jointly between the EVF and VF at the Royal Society of Medicine which is an excellent conference venue right in the heart of London, just off Oxford Street.

The meeting will offer a varied, high quality scientific programme comprising didactic sessions and original research that will be of interest to phlebologists and a wide range of other medical and nursing disciplines.

The course dinner will be held at the Royal College of Surgeons of England in Lincoln’s Inn Fields and attendees will have the opportunity of touring the world famous Hunterian Anatomical Museum.

We expect about 400 delegates from all over the world.

The scientific committee is working hard to ensure that delegates have the very best scientific, social, and cultural experience. Areas to be covered will include:
- Venous thromboembolism
- Post thrombotic syndrome
- Minimally invasive endovenous procedures for deep and superficial disease
- Pharmacological and compression therapy

We very much look forward to welcoming new to London in July 2016.

Very best wishes

Andrew Bradbury          Gerry Stansby          Andrew Nicolaides
President Elect          President               Chairman of the Board

SPONSORSHIP TERMS AND CONDITIONS

- After receipt of a written confirmation, you have 48 hours to cancel the contract with no fee provided the event takes place more than 4 working days ahead.

- The RSM will acknowledge your booking by sending a VAT invoice for the total amount payable. Payment is required within 30 days of presentation of the invoice. Any delay in payment may incur statutory interest charges pursuant to the Late Payment of Commercial Debts (Interest) Act 1998.

- After the initial 48-hour cooling period, all agreements to sponsor an RSM event are binding and non-refundable.

- A full refund will be processed if a meeting is cancelled by the RSM or postponed to a date you are unable to attend.

- All press and news announcements are subject to approval by the RSM Media Relations Office.

- The area allocated to a standard size trade stand would be 6ft by 2ft, i.e., the area that a table would take up. The height would need to be restricted to 7ft in order to fit into most of our rooms. If you would expect your stand to occupy more than the standard area, please contact the Sponsorship Office.

- If you would like to store goods at the RSM, we require delivery one working day before the event and during office hours. If this is not possible, please notify the Sponsorship Office. The packaging must be clearly labelled with details of the event including a contact name and event title. These goods are accepted entirely at the owner’s risk.

- Exhibitors must ensure that their activities conform with health and safety practices. Please note that all Fire Exits and doorways must not be blocked or propped open.
